Feats:

- Twilight Adept: Stealth & Cunning Sneak (1/Enc)
- Firearms Expertice (one-handed small arms)

Class Features:

- Cat Balance:** You do not grant combat advantage while balancing.
- Power to Weight Ration:** Dex for Climb, Jump, unarmed attacks, one handed melee and grabs.
- TRAINED FOR A FLIGHT:** Instead of a daily attack, you can instead learn any runner utility power of your level or lower.
- WALL VAULT:** +Wis for Athletic-Jumps if adjacent to a wall.
- CINEMATIC STYLE:** When you wield a one-handed small arm, it gains the off-hand property.
- CONVERGING FIRE:** When wielding a one-handed small arm against an adjacent target, you gain a +1 bonus to attack rolls.
- FAST SWITCH:** You can switch to any of your weapons as a single minor action.
- REFLEX SHOT:** When wielding a one-handed small arm, you can use a ranged basic attack as an opportunity attack.
- HYDROSTATIC SHOCK:** Once a round as a free action, select one creature you have hit during your turn with a ranged weapon. You can choose to either inflict 1d6 damage OR if the target is Medium or smaller and moves or attacks before the start of your next turn, use an immediate reaction to knock the enemy prone.
- KATA:** You gain the katapower. As a free action, you can expend an unused encounter attack power and gain a use of kata. You can only use kataonce per turn.
- Cunning Sneak (1/Enc):** You don't take a penalty to Stealth checks for moving more than 2 squares, and you take a -5 penalty instead of a -10 penalty to Stealth checks for running. If you end a move action at least 3 squares away from your starting position, you can make a Stealth check to become hidden if you have any concealment or any cover, except for cover provided by intervening allies.

Konzept

Scott Griffins ist ein sehr lebhafter 15-jähriger, der immer wieder in Probleme gerät, weil er seine Nase und Hände in fremde Dinge steckt.

Zur Zeit verbringt er die Sommerferien, als Strafe von seinen Eltern, beim Steinbruch seines Onkels (Char vom Markus), in der Hoffnung das er mal was vernünftiges lernt und er dort nicht viel anstellen kann.

Scott hat viele Talente, die flinken und überaus geschickten Hände und die Begabung sich überallhin unbemerkt zu bewegen, was ihn derzeit immer wieder in Schwierigkeiten bringt. Aber wer weiß, diese Gaben könnten einmal sehr nützlich werden..

Angriffstats:

Dex: 5 (7 with Weapon)

Basic Attack Autoloader: Atk 7 (8 if adjacent), Dam 1d6+6, Range 15/30, Clip 15, Crit 1d6, Off-Hand

Basic Attack Unarmed: Atk 5, Dam 1d4+5

BOUNDARY THRESHOLD Gunslinger Attack I

You fire around to everything you perceive as an enemy.

At-Will • Martial, Weapon

Standard Action Close burst 1

Requirement: You must be wielding a one-handed small arm.

Target: Each enemy in burst you can see

Attack: Dexterity vs. AC

Hit: 1 damage, and the target is pushed 1 square and knocked prone.

DOUBLE-TAP Gunslinger Attack I

You squeeze off two quick shots in succession to multiple targets.

At-Will • Martial, Weapon

Standard Action Ranged weapon

Targets: One or two creatures

Attack: Dexterity vs. AC, two attacks

Hit: 1[W] damage. Increase damage to 2[W] at 21st level.

ATTENTION GETTER Gunslinger Attack I

Your shot finds its target. Its eyes find you.

Daily • Martial, Reliable, Weapon

Standard Action Ranged weapon

Target: One creature

Attack: Dexterity vs. AC

Hit: 2[W] + Dexterity modifier damage, and target is marked until the end of the encounter.

Heroic Effort

Your grim focus and unbridled energy means that failure is not an option.

Encounter

No Action Personal

Trigger: You miss with an attack or fail a saving throw.

Effect: You gain a +4 racial bonus to the attack roll or the saving throw.

KATA Gunslinger Class Power

The geometric distribution of antagonists in any gun battle is a statistically predictable element. You are a master of this talent—an adversary not to be taken lightly.

Encounter • Martial

Free Action Personal

Effect: Make a basic attack. If the attack misses, you can repeat the attack (using extra ammunition as normal). If you miss a second time, this power is not expended, but you cannot use it again this turn. If you hit, you can shift a square.

SLIPPERY BUGGER Runner Attack I

You employ all the tools your body gave you in order to evade enemy attacks.

Encounter • Martial, Maneuver, Reliable

Move Action Close burst 10

Target: Two creatures in burst you can see

Attack: Dexterity +2 vs. Reflex.

Hit: The target cannot attack you until the start of your next turn. You can pass through the target's square.

Effect: Shift your speed and ignore difficult terrain.
